

RUSU ALEXANDRU- DANIEL

WEB DEVELOPMENT ENTHUSIAST

/ ALL ABOUT ME

As a web developer enthusiast, I am passionate about creating innovative and dynamic websites that engage users and solve complex business problems. I love learning new programming languages, frameworks, and tools to create a unique online experience for users.

I am experienced in using various programming languages and frameworks such as HTML, CSS, JavaScript, React, Python, Django and Flask and I am always looking to expand my skills.

/ PROJECTS

I have built many full-fledged web applications which can be found on my website below:
